The first marksheet EYFS Revis	ed Profile 2023	is for data entry.

## Early Years Foundation – Year R

The second marksheet **EYFS Revised Profile Good Level Development 2023**, is a simple calculation marksheet that extracts results from the first marksheet to establish whether or not the pupils are working at a **Good Level of Development** which is identified by a **f** or **N (Yes** or **No)**.

To open the **EYFS Revised Profile 2023**, either select and double-click to open or highlight the marksheet and use the green pencil to the right of the screen

Once opened, the **EYFS Revised Profile 2023** marksheet, will display current **Reception** pupils. To see all the cells/screen in the marksheet., click on the **Narrow** button at the top of the marksheet

A result must be entered into each of the white cells for the **Data Check** area cells to be populated with results. If any cells are missing results, then nothing gets populated in the **Data Check** panel (grey area.)

#### EYFS Revised Profile Wizard 2023 2 marksheets -1 for data entry 1 for calculation

#### How to enter Results

With the marksheet open, there are **17** columns to complete.

Available Grades to select: 2 - Expected, 1 - Emerging A - Unable to assess, or exemption applies

- Using the keyboard, enter one of the available grades into each of the cells
- 2. A grade **must** be entered in all 17 white columns for **all** pupils.

When all columns have been completed, click **Save.** The**Data Check** formula columns will be populated.

**NB**: If a result is missing, the **Data Check** column will display a value of **Missing** for <u>all</u> columns and not just the ones with missing results.

It is the results from the **Data Check** columns that are uploaded to the **LA** via CTF

Therefore, a grade must be recorded

Open the second marksheet, **EYFS Revised Profile GLD 2023**. Results from the first marksheet will appear in this second marksheet. Click
